**RRMS-O-02** - Here is the next O Scale Scene. We have all seen this one before the trash trucks use to wake you up once a week to dump the trash. You have a set of trash cans with lids, two w/o a lid, two with the lid half on. and last but not least the spilt can. You also would have a burn barrel to burn your trash. Then check out the dog by the spilt can. And the cat on the fence. The fence is a separate piece add it or leave it off. This is a two piece casting that measures 3 1/2" by 2". Just paint them up and they are good to go.

**Price is \$7.50**

**RRMS-O-03** - If you are working on a layout from the hills of Tennessee to the south one of these would fit in your wooded area. Out of sight of the revenuers. Check the detail on this one, even the double barrel shotgun on the woodpile to keep the revenuers away. You have the jugs ready for the moonshine, a real production line. So have some fun with this one. Measures 3 1/2" by 2 1/2". **Price is \$7.50**

**RRMS-O-04** - This casting shows the excitement I get of going to old junk yards. I could spend hours roaming through the old cars. This shows a 1931 Ford that could be out in the back of a abandoned house or in an alley. This is a two piece casting with the headlights cast separately. You can have some fun wit this one. Measures 4 1/4" by 3 1/2". **Price is \$10.00**
